Inside Your Home

Your Decorating Problems Answered
By **BEN L. WALLACE, N.S.I.D.**

Mr. Wallace
What is your opinion on using naugahyde plastic furniture covering in the living room. By doing this, is it considered good taste or bad?

Mrs. Joyce P.
In some cases this is only practical covering to use for upholstered pieces, but as a general rule I favor the texture and warmth of fabrics in the living area and as far as taste goes some one told me a long time ago that there is no such thing as good or bad taste, just taste.

Mr. Wallace
How does a person go about buying accessories; how much and where to place them in the room. Is there a set rule that applies?

Mrs. Virginia B., Hollywood Riviera

Mrs. B.
No there is not a standard set rule, if you are having trouble with accessories I suggest you engage a qualified decorator to assist you.

This is the most important phase of decorating and you should not allow it to be ruined by putting the wrong accessories in.

Mr. Wallace
When you use a decorator do they pick out all of the furnishings. If this is the case it seems that most of the fun would be taken out of buying furniture if someone else picks it out. Would you comment on this?

Mrs. B. D., Lomita

Mrs. B. D.
It is not the primary purpose for a decorator to pick from his own taste all of the furnishings. It is the decorator who must analyze your needs and likes and guide you to the proper furnishings that you feel you can live with. I haven't met anyone yet that would hand me a blank check and say furnish my house any way that you want.

Torrance Men Participate In Model Airplane Contest

Philip O. Breitling and Ronnie Young, both of Torrance, were among the more than 1600 entrants in the 1961 National Model Airplane Championship who registered at the Naval Air Station, Willow Grove, Penn. The meet, sometimes called the "World Series" of model airplane flying, ran through Sunday, July 30.

Breitling, 40, resides at 4511 Darien St., and Young, 17, resides with his parents, Mr. and Mrs. James E. Young, at 3314 W. 168th St.

CONTESTANTS
Contestants in the meet, the Third National Championships held at the Willow Grove Naval Air Station, ranged from six to 60 years old, and came from the 50 states, as well as from Canada, Mexico, and Peru.

Competition in the National was divided into three age groups: (1) Junior Class, open to those less than 16 years old; (2) Senior Class, open to contestants, between 12 and

21; (3) Open Class for contestants over 21.

EVENTS
The contestants flew their models in events such as free-flight gas to radio-control, control-line speed, jet and team racing contests. In the Navy carrier events, the modelers flew their gas engine planes off and landed aboard the deck of the miniature aircraft carrier, the USS Small Fry. Seaplanes took off from the specially constructed lake at the Willow Grove Naval Air Station.

The meet was conducted by the Academy of Model Aeronautics of Washington, D.C., model aircraft governing body. The U.S. Navy acted as host to the meet for the fourteenth consecutive year. The last National Meet held at the Willow Grove Naval Air Station was in 1957.
